

Northwest Martial Arts

Preschool Taekwondo Program

You love and care for your child, providing him or her with many opportunities to grow into a happy, successful student and person.

Our Little Ninjas Program introduces preschoolers to the important life lessons and developmental skill you want them to learn. We start with fun martial arts and fitness skills, then add focus, cooperation, discipline, and the skills to create strong individuality and personal confidence.

Call today to reserve your child's spot in our educational preschool martial arts class and we'll give you 2 FREE lessons!

LITTLE NINJAS

Preschool Taekwondo classes develop motor and social skills to excel in any sport or activity!
